Experience:

Glenn is an official liquidator with over 21 years experience in insolvency and accountancy. He joined PA Lucas & Co in 2009 after 16 years insolvency experience at KPMG and another 5 years at a number of boutique insolvency firms. He has specialised in restructuring and insolvency and has substantial leadership experience across many complex engagements.

Glenn's financial advisory and corporate recovery experience includes numerous business reviews resulting in successful trade-on of businesses, improvement of short-term liquidity for clients and the successful implementation of financial restructuring and turnaround strategies. His technical knowledge in all aspects of insolvency is a huge asset to the firm in assisting with the training and mentoring of internal accounting staff as well as benefitting clients.

He is highly experienced in communication and facilitation in order to effect change and obtain results for the benefit of stakeholders.

Expertise:

Glenn has industry sector experience in Hotels, Building & Construction, Manufacturing, Transport & Logistics, Publishing, Financial Services, Self-Storage Facilities and Statutory Authorities.

Qualifications:

Member - Institute of Chartered Accountants
Member - Insolvency Practitioners Association of Australia
Bachelor Business (Accounting) – Queensland University of Technology
Registered Liquidator – March 2005
Official Liquidator – August 2009

Personal:

Glenn's passion for wine has led him to become something of a connoisseur! He's the guy you go to when you need to know a good quality drop for an upcoming event or special occasion. His family keep him grounded as he loves to get involved with their sports and academic lives.
